Double Major Course List Form**

**Instructions:**

- Complete an Undergraduate Major Change Petition and indicate both majors, selecting one as the primary and one as the secondary. (Forms available in departments, registrar's office and student affairs offices.)
- In addition to the Change of Major Petition, the Double Major Form outlining all courses required for each of the majors must be submitted
- Both forms need departmental advisor's signatures and are filed with the college of the principal major.

- If a student declares multiple majors in different colleges with different degrees (B.A. and B.S.), students must meet both sets of breadth requirements.
- All course requirements must be completed for each of the two majors chosen.
- Changes are not permitted while on academic probation, or during the final senior year (135 units or more).
- Both majors must be completed within the maximum limit of 216 units and approval must be obtained from advisors in both departments or programs.
- No more than 8 upper-division units may count for both majors simultaneously. (Please indicate on the "Double Major Form" the courses that overlap, if any.)
